

Does the child experience communication in the group as satisfying or dissatisfying?

Questionnaire on the child's self-assessment:

1 ☺ ☹ ☹ The other children are friendly to me. _____

2 ☺ ☹ ☹ I am friendly to the other children. _____

3 ☺ ☹ ☹ The others like listening to me when I say something,
especially
often listens to me very carefully. _____

4 ☺ ☹ ☹ I like listening to other children, especially
when talks
(because).

5 ☺ ☹ ☹ The other children like talking to me. _____

6 ☺ ☹ ☹ I like talking to the other children, especially to:
.....

7 ☺ ☹ ☹ The other children understand what I say. _____

8 ☺ ☹ ☹ I understand what the other children say. _____

9 ☺ ☹ ☹ If I need help, the others help me,
for example:
.....

10 ☺ ☹ ☹ The other children accept my help,
for example:
.....

11 😊 😐 😞 My ideas / suggestions are appreciated.
For example:

12 😊 😐 😞 The other children have good ideas, too.
For example:

13 😊 😐 😞 When I have an idea for a game, the others usually
go with it and I am happy.

14 😊 😐 😞 I think, most of the children in our group like me.
Except for:

15 😊 😐 😞 I like most of the other children.
Except for:
I especially like:

16 😊 😐 😞 The other children often ask me good questions.
Example:

17 😊 😐 😞 I can ask the other children many things.

18 😊 😐 😞 The other children do mostly answer
when I address them.

19 😊 😐 😞 I usually answer, too,
when the address me.
